

Publication Finder Instructions

1. Click “Search Publication by Title” from library home page

The screenshot shows the D'Youville Library website. The header includes the logo 'D'YOUVILLE' and 'MONTANTE FAMILY LIBRARY'. A search icon and a 'MENU' button are in the top right. The main banner features a photograph of the library building with the text 'Montante Family Library' and 'D'YOUVILLE LIBRARY'. Below the banner, there is a paragraph: 'The Montante Family Library at D'Youville is the ideal research destination for students, faculty, and staff searching for access to research tools, materials, and professional instruction.' This is followed by two links: '+ CONTACT FREE LIBRARY BORROWING' and '+ LIBRARY SERVICE CHANGES - SPRING 2021'. A section titled 'SEARCH THE COLLECTION AT D'YOUVILLE LIBRARY:' contains a description of D'YouSearch and a search box with a 'SEARCH' button. On the right side, a dark sidebar titled 'QUICK LINKS' lists various services. A red arrow with a blue outline points to the 'Search Publications by Title' link in this menu. At the bottom left, there is a 'TWITTER NEWS' link.

2. Select “Search Publication by Title” button.

The screenshot shows the Montante Family Library website. The header includes the logo 'DYOUVILLE' and 'MONTANTE FAMILY LIBRARY'. A search icon and a 'MENU' icon are in the top right. The main content area features a large image of a building with the text 'JOURNAL SEARCH' overlaid. Below this, there is a navigation breadcrumb: 'Montante Family Library > Research > Journal Search'. The main text reads: 'Extend your search for full-text articles using the library's publication search tools.' Below this is a section titled 'SEARCH PUBLICATIONS BY TITLE' with a paragraph explaining the search process. A red button labeled 'SEARCH PUBLICATIONS BY TITLE' is highlighted with a red arrow. To the right, there is a 'QUICK LINKS' sidebar with options: 'Find Articles', 'Find Books', 'Publications by Title', 'Reference Tools', 'Course Reserves', and 'Subject Guides'. At the bottom right, there is a 'RESEARCH DESK' section with contact information: 'Contact Us', 'Phone: 716-829-7747', and 'E-Mail: refdesk@dyvc.edu'. The bottom of the page features three small images: a stack of books, a computer circuit board, and a stack of papers.

Publication Finder Instructions

3. Enter the publication title.

The screenshot displays the top navigation bar of the D'Youville Library website, which includes links for "New Search", "DYC Library", "Publications", and "Google Scholar". On the right side of the navigation bar are links for "Sign In", "Folder", "Preferences", and "Help".

The main content area features a search interface. A red arrow with a blue outline points to a search input field. Above the input field, the text "Searching: Library Publications" is displayed. The input field contains the text "american journal of occupational therapy" and has a small "x" icon to its right. To the right of the input field is a blue "Search" button and a "Create Alert" link with a question mark icon. Below the input field, a red error message reads "Please enter search term(s)."

Centered below the search bar is the D'Youville Library logo, which consists of a dark red rectangle containing the word "D'YOUVILLE" in white, and a white rectangle below it containing the word "LIBRARY" in dark red.

At the bottom of the page, there is a footer area. On the left is a "Top of Page" link. In the center are two app store icons: "Download on the App Store" and "GET IT ON Google Play". To the right of these icons are several links: "EBSCO Connect", "Privacy Policy", "A/B Testing", "Terms of Use", "Copyright", "Cookie Policy", and "Contact Us". At the bottom center is the EBSCOhost logo, which includes a green and blue circular icon and the text "powered by EBSCOhost".

Publication Finder Instructions

4. The publication will appear in the results if the library has access to the title.

The screenshot displays the D'Youville Library Publication Finder interface. At the top, there are navigation links for 'New Search', 'DYC Library', 'Publications', and 'Google Scholar'. The library's name 'D'YOUVILLE LIBRARY' is prominently displayed. The search bar contains the text 'american journal of occupational therapy' and includes a 'Search' button and a 'Create Alert' link. A checkbox labeled 'Keep search limiters' is checked. On the left side, there is a 'Refine Results' section with options for 'Current Search' and 'Limit your results', including a checkbox for 'Peer Reviewed Journals'. The main results area shows 'Search Results: 1 - 1 of 1' and a single result: '1. American Journal of Occupational Therapy'. Below the title, it lists the ISSN: 0272-9490, 1943-7676 and the subject 'Occupational Therapy'. There is a search box for 'Search within Publication' and a 'Full Text Access' button. A red arrow points to the title of the search result. At the bottom, it indicates 'Page: 1'.

Publication Finder Instructions

5. Look for the “Search within Publication” box. It will allow you to enter your keywords and do a search directly from this interface.

The screenshot displays the D'Youville Library website's Publication Finder interface. At the top, there are navigation links for 'New Search', 'DYC Library', 'Publications', and 'Google Scholar'. The library's name 'D'YOUVILLE LIBRARY' is prominently displayed. The search bar contains the text 'american journal of occupational therapy' and includes a 'Search' button and a 'Create Alert' link. Below the search bar, there is a checked box for 'Keep search limiters'. On the left side, a 'Refine Results' panel is visible, with options for 'Current Search' and 'Limit your results', including a checkbox for 'Peer Reviewed Journals'. The main search results area shows 'Search Results: 1 - 1 of 1' and a single result: '1. American Journal of Occupational Therapy'. Below the title, it lists the ISSN: 0272-9490, 1943-7676 and the subject 'Occupational Therapy.'. A 'Search within Publication' input field is present, which is highlighted by a large red arrow. Below this field is a 'Full Text Access' button. At the bottom of the results, it indicates 'Page: 1'.

Publication Finder Instructions

5. The keyword will be searched in the D'YouSearch discovery tool.

The screenshot displays the D'YouSearch discovery tool interface. At the top, there are navigation links for "New Search", "DYC Library", "Publications", and "Google Scholar". The main header area includes the "DYOUVILLE LIBRARY" logo and the text "Searching: Library Publications". A search bar contains the text "American Journal of Occupational Therapy" and a "Search" button. To the right of the search bar is a "Create Alert" link with a question mark icon. Below the search bar, there is a checked checkbox labeled "Keep search limiters".

On the left side, there is a "Refine Results" section with a back arrow icon. It includes a "Current Search" dropdown menu, a "Limit your results" dropdown menu, and a checkbox for "Peer Reviewed Journals".

The main content area shows "Search Results: 1 - 1 of 1". The first result is "1. American Journal of Occupational Therapy" with the ISSN: 0272-9490, 1943-7676. Below the title is a search box containing the text "splints" and a magnifying glass icon. A large red arrow points to this search box. Below the search box is a "Full Text Access" link with a blue square icon. At the bottom, it says "Page: 1".

Publication Finder Instructions

5. All results from D'YouSearch will be limited to the selected publication.

The screenshot shows the D'Youville Library search interface. At the top, there are navigation links for 'New Search', 'DYC Library', 'Publications', and 'Google Scholar'. The search bar contains the term 'splints' and a 'Search' button. Below the search bar, there are links for 'Basic Search', 'Advanced Search', and 'Search History'. On the left side, there is a 'Refine Results' sidebar with options for 'Limit To' (Scholarly, In Library, Available in Library Collection) and 'Source Types' (Academic Journal). The main search results area displays two results. The first result is titled '1. Stretching and Splinting Interventions for Poststroke Spasticity, Hand Function, and Functional Tasks: A Systematic Review.' and is from the 'American Journal of Occupational Therapy'. The second result is titled '2. Ergonomic Design of a Computer Mouse for Clients With Wrist Splints' and is from the 'International Journal of Occupational Therapy Research'. Red boxes highlight the journal names in both results, and red arrows point to them from the right.

Publication Finder Instructions

6. The “Full Text Access” link in the Publication Finder will show you which databases contain the full text of the title.

The screenshot displays the D'Youville Library Publication Finder interface. At the top, there are navigation links for "New Search", "DYC Library", "Publications", and "Google Scholar". The library logo "D'YOUVILLE LIBRARY" is on the left. The search bar contains the text "american journal of occupational therapy" and a "Search" button. Below the search bar, there is a "Keep search limiters" checkbox which is checked. On the left side, there is a "Refine Results" section with options for "Current Search", "Limit your results", and "Peer Reviewed Journals". The main content area shows "Search Results: 1 - 1 of 1" and a single result: "1. American Journal of Occupational Therapy". Below the title, it lists the ISSN: 0272-9490, 1943-7676. and the subject "Occupational Therapy." There is a search box for "Search within Publication" and a link for "Full Text Access" which is highlighted with a red arrow. At the bottom, it says "Page: 1".

Publication Finder Instructions

6. Selecting one of the database options from the “Full Text Access” list will open that database and allow you to browse issues of the publication.

The screenshot displays the D'Youville College Library's Publication Finder interface. At the top, navigation links include 'New Search', 'DYC Library', 'Publications', and 'Google Scholar'. The library's name 'D'YOUVILLE LIBRARY' is prominently displayed. The search bar contains the text 'american journal of occupational therapy' and is accompanied by a 'Search' button and a 'Create Alert' link. A checkbox labeled 'Keep search limiters' is checked. On the left, a 'Refine Results' sidebar shows 'Current Search' and 'Limit your results' with a 'Peer Reviewed Journals' checkbox. The main content area shows 'Search Results: 1 - 1 of 1' and lists the '1. American Journal of Occupational Therapy' with its ISSN (0272-9490, 1943-7676) and a 'Search within Publication' field. A red box highlights the 'Full Text Access' section, which lists three database options: 'CINAHL Complete 01/01/1980 - present', 'D'Youville College Print Collection 01/01/1969 - 12/31/1988, 01/01/2008 - 12/31/2018', and 'ProQuest Central 11/01/2006 - 11/01/2018'. The page number 'Page: 1' is visible at the bottom.

Publication Finder Instructions

6. While the layout of each database interface may be different, they usually have similar functionality. They usually list the years of publication somewhere under the title. The journal publication years can be selected from the column on the right in this example from from CINAHL..

The screenshot displays the EBSCOhost interface for the CINAHL Complete database. The main content area shows the publication details for "American Journal of Occupational Therapy". A red arrow points from the "Bibliographic Records" section to a sidebar on the right. The sidebar, titled "All Issues and Articles", lists various issues and articles, including a column of years from 2014 to 2022. The years are listed as follows:

- + 2022
- 2021
- Vol. 75 Issue 6 - Nov/Dec2021
- Vol. 75 Issue 5 - Sep/Oct2021
- Vol. 75 Issue Sup2 - 2021 Supplement
- Vol. 75 Issue Sup1 - 2021 Supplement
- Vol. 75 Issue 4 - Jul/Aug2021
- Vol. 75 Issue 3 - May/Jun2021
- Vol. 75 Issue 2 - Mar/Apr2021
- Vol. 75 Issue 1 - Jan/Feb2021
- + 2020
- + 2019
- + 2018
- + 2017
- + 2016
- + 2015
- + 2014
- + 2013
- 2012

Publication Finder Instructions

6. Selecting a date will open a results window. All results will be limited to that issue.
